WEB DESIGNER

Shreejan Shrestha

I am a passionate and detail-oriented Computer Science student with a strong interest in web design and front-end development. My academic background and hands-on experience in web development and graphic design have equipped me with the skills to create visually appealing and user-friendly websites.

With a commitment to delivering high-quality designs, I excel at crafting responsive layouts, optimizing user experiences, and ensuring seamless functionality. I am enthusiastic about continuous learning and staying updated with the latest design trends and technologies, making me eager to contribute to innovative projects and elevate digital experiences.
